

*And then it hit me.*

**When inspiration strikes, we'll be there.**

You see it. So do we. We can also help you realize it. With a full line of flooring products offering an entire spectrum of colors VPI has what you need most. Agility. Muscle. Endurance. We invented Static Control Flooring. And our reputation for manufacturing the squarest tile in the industry is legendary. So go ahead and be inspired. We can handle it.

**Full line. Full spectrum. Full service.**
