

Greater Life Expectancy

When inspiration strikes, we'll be there.

Bring your ideas to life. Mix and match VPI's full line of agility, muscle and endurance. Flooring products, styles and textures, a full spectrum of colors. Work with Rubber Flooring sturdy enough for walking and wheeling down hallways all day long. Wall Base, Static Control Flooring, the seamless appearance of heat welded Premium Resilient Tile (PRT). A new anti-microbial additive option ideal for sanitary sensitive environments. Standard colors from Dijon to Mint Leaf, even custom color matching to the soothing comfort of the bandage that Mom used to put on your knee. VPI has it all.

Full line. Full spectrum. Full service.
