

*It was child's play.*

**When challenges arise, we'll be there.**

Make it easy. Make it great. Make it last. The more elaborate the design, the more you need VPI. With a full line of flooring products and a level of customer service that is second to none, VPI has what you need most. Agility. Muscle. Endurance. We invented Static Control Flooring. And our reputation for manufacturing the squarest tile in the industry is legendary. So go ahead and take the challenge. We can handle it.

**Full line. Full spectrum. Full service.**
